Parables of Jesus in Luke DVD

The Rev. Dr. Kenneth Bailey helps us hear the parables as first-century Jews would have heard them. The context enriches and challenges our traditional interpretations. This 15-part lecture-style series is designed to accommodate a one-hour Sunday school or Bible study class period, with time for classroom discussion.

Study guide is included. NON-RETURNABLE, Item# 5016, \$95.00
