

# The *Crossways* course

People's hearts are being opened and changed! As a pastor, the greatest amount of growth in the understanding and love for God's Word that I've seen by my parishioners is what happens through our study of this course. The biblical insights and truths are amazing, and everyone is growing in their faith! *Crossways* makes a huge impact on lives!

- Rev. Kenton Birtell  
Mount Calvary Lutheran Church  
Holdrege, NE

"Here's a quote by a class participant who just completed the *Crossways* journey at our church: 'This study has truly been a wonderful experience for me. I had never before read the Bible in its entirety but I have now had the opportunity to do so. To more thoroughly understand the Old Testament, as well as the New Testament, gives me a greater appreciation for Christ Jesus and the incredible sacrifice He made for us.'"

- Rev. Philip Assink  
Faith Community Church - RCA  
Edmonds, WA

"This course is a journey of faith, hope, and new life in Christ. It is an excellent study for those who want to learn the sweep of the whole biblical narrative or refresh their faith and Bible knowledge. *Crossways* is comprehensive! It draws on the culture and history of the ancient Middle East, highlights what we need to know in each book of the Bible, helps people understand the Old Testament prophets, and reveals marvelous new insights and revelations as Jesus announces 'the kingdom of God is at hand'."

- Rev. Christine E. Chiles  
Maple Grove Lutheran Church  
Maple Grove, MN

"I have been using *Crossways* for 27 years. It is wonderful to see people in my congregation get excited about the Word as they begin to understand the 'big picture' of Scripture. When we go through the Old Testament and finally get to the New Testament, it is like fireworks going off for people as they for the first time really understand many of the things that Jesus said and did. People begin to take seriously the message that we are all called to be servants of Christ."

- Pastor Edwin Nicklas  
Our Savior Lutheran Church  
Plantation, FL

"*Crossways* is a challenging, life-giving, and life-changing Bible study for sharing the Word with one another! It engages people in a vibrant and powerful encounter with the living Word of God."
