

**Looking for a six-week study for Lent that follows  
Jesus' journey to His coronation on the cross?**

**Road to Coronation endorsements:**

“I love the format of this Bible study that sweeps through the whole life of Jesus – written with much historical biblical information, detailed facts, and colorful visuals. After studying this course, people read the Bible with new eyes.”

–Rev. Willis Heckler  
Zion Union Church - UCC  
Topton, Pennsylvania

“Over fifty people studied this course during the Lenten season in our Questers Adult Sunday School class and in our Youth Group class. We especially like how this study focuses on Jesus' journey to the end . . . is more in-depth than what we usually study . . . and with comparison of events between the Old and New Testaments.”

–Zella Rouse  
St. Paul United Methodist Church  
Jacksonville, Florida

“The focus is a vivid biblical view of what Christ was up against in His passion. This study is an accurate interpretation of that event and about the history of those times, with vivid and colorful visuals that enhance the teachings.”

–Pastor James R. Wiebel  
Faith Lutheran Church  
Appleton, Wisconsin

“This study works very well as a supplement to a confirmation program. It provides a good biblical background to the meaning of Jesus' life.”

–Pastor Sherman Bishop  
Prince of Peace Lutheran Church  
Westlake, Ohio

“The number of people attending exceeds what I had expected. And more importantly, are getting new arrivals from the community and persons outside the parish – all attending with enthusiasm and wanting more such studies. This course invites us to walk the way of the cross ‘with Jesus’ rather than stand on the sidelines and watch Him go it alone. The narrative style drives home the point that Christ's crucifixion was really His coronation.”

–Pastor Mark Tiede  
Zion Lutheran Church  
Anoka, Minnesota
