**Christmas: The Real Story**

Enrich your advent study with Crossways International's *Christmas: The Real Story*. The Bible tells a very adult story of Jesus' birth. Social outcasts and Gentiles were honored witnesses. A powerful king became fearful and murderous. This course explores these issues and reexamines traditional Western assumptions about the first Christmas in the context of Middle Eastern customs and culture. People are sometimes astonished to learn that the Bible never says there were three wise men, never portrays Mary riding a donkey, never says that Jesus was born in a stable. **Item #4201 \$9.95**

Have you ever wondered why Mary and Joseph had such trouble finding a place to stay in Bethlehem, when they would have been among relatives? Sometimes old, familiar stories aren't as familiar as we think they are when seen in a new light. In *A Clear View of Jesus' Birth*, Dr. Kenneth Bailey draws upon his decades of research and teaching in the Middle East to reveal a fresh perspective on the story of the birth of Jesus. **Item #5010 \$25.00**
